

## Chairmen's Challenge – RENEW

The Chairmen of Brodies LLP and the RSA Development Committee challenge senior students (S5 & S6) to apply their creativity to a specific brief. Prizes £300, £150, £100.

### TAKE THE CHALLENGE

Respond to this year's theme *RENEW* by creating an artwork in any medium including digital.

We all know the importance of renewability for the future of our planet. Through creativity and art there's much we can do to raise awareness of the challenges faced and the possible solutions.

The theme *RENEW* is open to interpretation. Your work could be created out of renewable materials or could depict the world's current challenges or illustrate your vision of what a sustainable vision might look like. Use your imagination and show us what you can do!

Work must be 2D and not larger than A3
